****Packaged Deal****

Diamond J, Inc. Torque Indicator & INSCO Oil Pressure System

Applicable Aircraft – MDHI 369D/E/F/FF & 500N

Part Number	Description	List Price
4344-3187-KIT & MD369-9500A-3000-101	INSCO Oil Pressure and Pressure Transducer Installation and Data Package Diamond J, Inc. Torque Indicator System and Data Package Diamond J, Inc. Indicator	\$17,500.00

****Packaged Deal****

INSCO Torque Indicator & INSCO Oil Pressure System

Applicable Aircraft – MDHI 369HE/HS/HM/D/E/F/FF & 500N

Part Number	Description	List Price
4344-3187-KIT & MD369-9500A-3000-103	INSCO Oil Pressure and Pressure Transducer Installation and Data Package INSCO Torque Indicator System and Data Package	\$15,260.00

**FAA STC SR02712LA
Torque Indicator System**

Applicable Aircraft – MDHI 369HE/HS/HM/D/E/F/FF & 500N

Part Number	Description	List Price
MD369-9500A-3000-101	Diamond J, Inc. Torque Indicator System and Data Package Diamond J, Inc. Indicator	\$10,120.00
MD369-9500A-3000-103	INSCO Torque Indicator System and Data Package	\$7,880.00

**FAA STC SR02536LA
INSCO Oil Pressure Indicator and Pressure Transducer**

Applicable Aircraft – MDHI 369HE/HS/HM/D/E/F/FF & 500N

Part Number	Description	List Price
4344-3187-KIT	INSCO Oil Pressure and Pressure Transducer Installation and Data Package	\$7,880.00

Prices are subjected to change. For the most up to date pricing, see the online price list at www.precisionhelisupport.com

FAA STC SR02451LA
Auto Re-Ignition System

Applicable Aircraft – MDHI 369HE/HS/HM/D

Part Number	Description	List Price
PH36900026-02-KIT	PMA Installation Kit: Compact Auto Re-Ignition and Data Package	\$4,250.00
PH36900026-03-KIT	PMA Installation Kit: Modified Auto Re-Ignition and Data Package	\$4,250.00

FAA STC SR02586LA
Freeflight Systems Radar Altimeter 4000/4500

Applicable Aircraft – MDHI 369HE/HS/HM/D/E/F/FF/500N

Part Number	Description	List Price
PH36900223-01	PMA Installation Kit: Freeflight System and Data Package or	Call for pricing
PH36900223-02	PMA Installation Kit: Freeflight System and Data Package (Shelf Assembly not included) <i>Optional Freeflight Systems LRU's</i>	\$3,240.00
Pick one of the following	RA4000 Sensor System with RAD-40 RA4500 Sensor System with RAD-40 RA4000 Sensor System, RAD-40, and Tone Generator RA4500 Sensor System with RAD-40, and Tone Generator	Ask Precision Heli-Support, LLC for current pricing

Prices are subjected to change. For the most up to date pricing, see the online price list at www.precisionhelisupport.com

FAA STC SR00350BO

Aspen Avionics EFIS Display, Pilot Configuration

Applicable Aircraft – MDHI 369E/F/FF & 500N

Part Number	Description	List Price
PH36900014-Pilot	PMA Install Kit EFD1000H Pilot System and Data Package <i>Optional Aspen Avionics LRU's</i>	\$4,560.00
910-00001-104	Display Assembly, EFD1000H Level B – Internal Battery	Ask Precision Heli-Support, LLC for current pricing
920-00004-115	Configuration Module, EFD1000H Pilot, Level B	
910-00003-001	Remote Sensor Module, Top Mount W/ GPS Sensor	
Note 1: Most basic configuration, Single Display. Retention of the mechanical airspeed and altimeter is required.		
Note 2: Wire is required, refer to STC Data		

FAA STC SR00350BO

Aspen Avionics EFIS Display, Pro Configuration

Applicable Aircraft – MDHI 369E/F/FF & 500N

Part Number	Description	List Price
PH36900014-Pilot	PMA Install Kit EFD1000H Pilot System and Data Package <i>Optional Aspen Avionics LRU's</i>	\$4,560.00
910-00001-104	Display Assembly, EFD1000H Level B – Internal Battery	Ask Precision Heli-Support, LLC for current pricing
920-00004-114	Configuration Module, EFD1000H Pro, Level B	
910-00003-001	Remote Sensor Module, Top Mount W/ GPS Sensor	
Note 1: Most basic configuration, Single Display. Retention of the mechanical airspeed and altimeter is required.		
Note 2: Wire is required, refer to STC Data		

FAA STC SR00350BO

Aspen Avionics EFIS Display, 1500 Configuration

Applicable Aircraft – MDHI 369E/F/FF & 500N

Part Number	Description	List Price
PH36900014-1500	PMA Install Kit EFD1500H System and Data Package <i>Optional Aspen Avionics LRU's</i>	\$6,265.00
910-00001-104	Display Assembly, EFD1000H Level B – Internal Battery	Ask Precision Heli-Support, LLC for current pricing
910-00001-102	Display Assembly, EFD500H – Internal Battery	
920-00004-114	Configuration Module, EFD1000H Pro, Level B	
920-00004-105	Configuration Module, EFD500H MFD	
910-00003-001	Remote Sensor Module, Top Mount W/ GPS Sensor	
Note 1: Most basic configuration, Dual Display. Retention of the mechanical airspeed and altimeter is required.		
Note 2: Wire is required, refer to STC Data		

Prices are subjected to change. For the most up to date pricing, see the online price list at www.precisionhelisupport.com

FAA STC SR00350BO

Aspen Avionics EFIS Display, 2000 Configuration

Applicable Aircraft – MDHI 369E/F/FF & 500N

Part Number	Description	List Price
PH36900014-2000	PMA Install Kit EFD2000H System and Data Package <i>Optional Aspen Avionics LRU's</i>	\$6,980.00
910-00001-104	Display Assembly, EFD1000H Level B – Internal Battery	Ask Precision Heli-Support, LLC for current pricing
910-00001-101	Display Assembly, EFD1000H – Internal Battery	
920-00004-114	Configuration Module, EFD1000H Pro, Level B	
920-00004-104	Configuration Module, EFD1000H MFD, Level B	
910-00003-001	Remote Sensor Module, Top Mount W/ GPS Sensor	
910-00003-001	Remote Sensor Module, Top Mount W/ GPS Sensor	
Note 1: Most basic configuration, Dual Display. Retention of the mechanical airspeed and altimeter is NOT required.		
Note 2: Wire is required, refer to STC Data		

FAA STC SR02458LA

Compressor Plenum Inspection Panel

Applicable Aircraft – MDHI 369HE/HS/HM/D/E/F/FF

Part Number	Description	List Price
PHP369-153	PMA Installation Kit: Compressor Plenum Inspection Panel and Data Package	\$720.00

FAA STC SR02541LA

Diamond J, Inc. Turbine Outlet Temperature Indicator

Applicable Aircraft – MDHI 369F/FF

Part Number	Description	List Price
61001-147-KIT	TOT Indicator (250-C30, 369FF) Data Package, Indicator, Connector Kit, and misc. hardware.	\$7,200.00

FAA STC SR02591LA

Garmin GTX330/330D/33H/33DH ADS-B Out Software Upgrade

Applicable Aircraft – MDHI 369HE/HS/HM/D/E/F/FF

Part Number	Description	List Price
STC SR02591LA Garmin GTX ADS-B Upgrade	Garmin GTX Transponder ADS-B Software Upgrade Data Package	\$2,100.00

Prices are subjected to change. For the most up to date pricing, see the online price list at www.precisionhelisupport.com
